Baking Soda:

As I was cleaning up my book supply in the garage, I ran into this: 200 uses for Baking Soda.

The number one use is for heartburn. 1 tsp of baking soda in $\frac{1}{2}$ glass of water and you are back to doing what you were doing. I have a prescription for some pill every day, but I don't have heartburn every day, and how natural and easy is soda?!

I really liked this one –

After washing dishes, soak your dish cloth in baking soda and water. Swish the sink with the soda solution and then wring out the cloth. Everything will be sweet and odor free!

Everybody knows you put an opened box of baking soda in your refrigerator to guard against unwanted and stale odors. You are to change the box four times a year, suggesting possibly the first day of each season.

Keep a large opened box of baking soda near the kitchen stove to sprinkle or toss handfuls at the base of any flare-ups. If it is a grease fire, water will spread it.

Shampoo carpet with $\frac{1}{2}$ cup of baking soda to 1 gal of warm water.

This is my favorite...

Fill old nylons with soda and suspend them from your basement ceiling to fight a damp and musty smell. Then pray no adult female is missing in the area!

The list goes on for uses, my book has only 200. I'm not sure we can still order the 500 uses for \$6.95. I'm looking at a 1996 catalog.

Glenn Conner

Our Daily Prayers

Our community children spend approximately 45 hours per week with our area teachers and other employees at the North Miami School System. For that reason we are happy to announce a new section to our Newsletter.

Every month throughout the school year you will see one teacher/faculty from the elementary and one from the high school listed per week. Each day that week please lift the designated employee in prayer. Praying for the adults who influence our children will enable us to indirectly pray for the unnamed students as well.

During the weeks we also encourage you to pray for the school system as a whole.
